**GLOBAL NOTES AND
STATEMENTS OF LIMITATIONS, METHODOLOGY,
AND DISCLAIMERS REGARDING DEBTORS' SCHEDULES
OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

The Schedules of Assets and Liabilities (collectively, the “**Schedules**”) and the Statements of Financial Affairs (collectively, the “**Statements**” and, together with the Schedules, the “**Schedules and Statements**”) filed by Everstream Solutions LLC and its debtor affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (together, the “**Debtors**”) pending in the United States Bankruptcy Court for the Southern District of Texas (the “**Bankruptcy Court**”), were prepared pursuant to section 521 of chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), by the Debtors’ management, with the assistance of the Debtors’ advisors.

These *Global Notes and Statements of Limitations, Methodology, and Disclaimers Regarding the Debtors’ Schedules of Assets and Liabilities and Statements of Financial Affairs* (collectively, the “**Global Notes**”) pertain to, are incorporated by reference in, comprise an integral part of, and should be referred to and considered in connection with any review of the Schedules and Statements. The Global Notes are in addition to the specific notes set forth below with respect to particular Schedules and Statements (the “**Specific Notes**”).²

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Midwest Fiber Holdings LP (3804); Midwest Fiber Acquisition Topco LLC (N/A); Midwest Fiber Acquisition Midco1 LLC (6061); Midwest Fiber Acquisition LLC (N/A); Everstream Solutions LLC (2361); Everstream Networks LLC (4542); Everstream GLC Holding Company LLC (4493); American Fiber Comm L.L.C. (2389); HRS Internet, LLC (5042); Lynx Network Group, Inc. (6261); 15955 State Street LLC (2731); Rocket Fiber LLC (7722); Lynx Fiber One, LLC (7151); and Lynx Fiber Two, LLC (3416). The Debtors’ mailing address is 1228 Euclid Ave. Suite 250, Cleveland, OH 44115.

² The fact that the Debtors have prepared a Global Note with respect to any particular Debtor’s individual Schedules and Statements and not to those of another should not be interpreted as a decision by the Debtors to exclude the applicability of such Global Note to any of the Debtors’ other Schedules and Statements, as appropriate. Disclosure of information in one Schedule, one Statement, or an exhibit or attachment to a Schedule or Statement, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, exhibit, or attachment.

Although the Debtors' management and advisors have made reasonable efforts to prepare and file the Schedules and Statements as complete and accurate as possible under the circumstances based on information available at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements and inadvertent errors, inaccuracies, or omissions may have occurred. The Debtors reserve all rights to amend and/or supplement the Schedules and Statements from time to time as is necessary or appropriate.

The Schedules and Statements are unaudited and subject to potential adjustment. Because the Schedules and Statements contain unaudited information and remain subject to further review, verification, and potential adjustment, there can be no assurance that these Schedules and Statements are complete. Nothing contained in the Schedules and Statements shall constitute a waiver of any right of the Debtors or an admission with respect to their chapter 11 cases (including issues involving claims, substantive consolidation, defenses, equitable subordination, or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers, if and to the extent applicable), and the Debtors reserve all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including the right to dispute or otherwise assert offsets or defenses to any claim reflected in the Schedules and Statements as to amount, liability, or classification, or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated."

The Schedules and Statements have been signed by Eric Burgess, Chief Financial Officer of the Debtors. In reviewing and signing the Schedules and Statements, Mr. Burgess necessarily relied upon the efforts, statements, and representations of the Debtors' other personnel and professionals. Mr. Burgess has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors, classification of such amounts, and respective creditors' contact information.

The Schedules and Statements, the Global Notes, and the Specific Notes should not be relied upon by any persons for information relating to current or future financial conditions, events, or performances of the Debtors.

Description of Cases and Reporting Dates

On May 28, 2025 (the "**Petition Date**"), the Debtors each commenced with the Bankruptcy Court a voluntary case under chapter 11 of the Bankruptcy Code. The Debtors are authorized to continue to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Debtors' chapter 11 cases are being jointly administered for procedural purposes pursuant to Rule 1015(b) of the Bankruptcy Rules and Rule 1015-1 of the Bankruptcy Local Rules for the Southern District of Texas under Case No. 25-90144 (CML). On June 11, 2025, the United States Trustee for Region 7 appointed an official committee of unsecured creditors (Docket No. 136). No trustee or examiner has been appointed in these chapter 11 cases. Additional information about these chapter 11 cases, court filings, and claims information is available on the Debtors' restructuring website: <https://cases.stretto.com/everstream/>.

Except as otherwise noted, the asset information provided herein represents the Debtors' data as of April 30, 2025, and the liability information provided herein represents the Debtors' data as of May 28, 2025 (as applicable, the "**Reporting Dates**").

Basis of Presentation

For financial reporting purposes, prior to the Petition Date, the Debtors ordinarily prepared financial statements on a consolidated basis. Combining the assets and liabilities set forth in the Debtors' Schedules and Statements would result in amounts that would be substantially different from financial information that would be prepared on a consolidated basis under Generally Accepted Accounting Principles ("**GAAP**"). Therefore, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the consolidated financial statements prepared by the Debtors. Unlike the consolidated financial statements, these Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where otherwise indicated. Information contained in the Schedules and Statements has been derived from the Debtors' books and records and historical financial statements.

The Debtors attempted to attribute the assets and liabilities, certain required financial information, and various cash disbursements to the appropriate Debtor entity. However, because the Debtors' accounting systems, policies, and practices were developed for consolidated reporting purposes, rather than by individual legal entity, it is possible that not all assets or liabilities have been recorded with the appropriate legal entity on the Schedules and Statements. Accordingly, the Debtors reserve all rights to supplement and/or amend the Schedules and Statements in this regard.

Moreover, given, among other things, the uncertainty surrounding the valuation and ownership of certain assets and the valuation and nature of certain liabilities, to the extent a Debtor shows more assets than liabilities, it is not an admission that the Debtor was solvent as of the Petition Date or at any time prior to the Petition Date. Likewise, to the extent a Debtor shows more liabilities than assets, it is not an admission that the Debtor was insolvent at the Petition Date or any time prior to the Petition Date.

General Disclosures Applicable to Schedules and Statements

1. **Causes of Action.** Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in their Schedules and Statements, including causes of action arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover assets. The Debtors reserve all rights with respect to any claims or causes of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment, and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, "**Causes of Action**") they may have. These

Global Notes and the Schedules and Statements shall not be deemed a waiver of any such claims or Causes of Action or in any way prejudice or impair the assertion of such claims.

2. **Recharacterization.** The Debtors have made reasonable efforts to correctly characterize, classify, categorize, and designate the claims, assets, liabilities, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. However, the Debtors may have improperly characterized, classified, categorized, or designated certain items. The Debtors reserve all rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate, including whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.

3. **Claim Designations.** Any failure to designate a claim in the Schedules and Statements as “contingent,” “unliquidated,” or “disputed” does not constitute an admission by the Debtors that such claim or amount is not “contingent,” “unliquidated,” or “disputed.” The Debtors reserve all rights to dispute, and to assert setoff rights, counterclaims, and defenses to any claim reflected on their Schedules or Statements on any grounds, including amount, liability, priority, status, and classification, and to otherwise subsequently designate any claim as “contingent,” “unliquidated,” or “disputed.” Listing a claim does not constitute an admission of liability or amounts due or owed, if any, in each case, by the Debtor against whom the claim is listed or by any of the other Debtors. Listing (i) a claim on Schedule D as “secured,” (ii) a claim on Schedule E/F as “priority” or “unsecured,” or (iii) a contract on Schedule G as “executory” or “unexpired” does not constitute an admission by the Debtors of the legal rights of the claimant or contract counterparty or a waiver of the Debtors’ rights to recharacterize or reclassify such claim or contract.

4. **Contingent Claim.** A claim that is dependent on the realization of some uncertain future event is a “contingent” claim.

5. **Disputed Claim.** A claim with respect to which the applicable Debtor and the claimant disagree as to the amount owed, whether any amount is owed, or the claim classification, is a “disputed” claim.

6. **Unliquidated Claim Amounts.** Claim amounts that could not be readily quantified by the Debtors are scheduled as “unliquidated.”

7. **Undetermined Amounts.** The description of an amount as “undetermined” is not intended to reflect upon the materiality of such amount.

8. **Zero Dollar Amounts.** Amounts listed as zero are either \$0, unliquidated, or undetermined.

9. **Court Orders.** Pursuant to certain orders of the Bankruptcy Court in the Debtors’ chapter 11 cases entered on or about May 29, 2025 and June 20, 2025, as applicable (the “**First Day Orders**”), the Debtors were authorized (but not directed) to pay, among other things, certain prepetition claims of employees, claims of taxing authorities, insurance-related obligations, and obligations to critical vendors and 503(b)(9) claimants. Accordingly, these liabilities may have been or may be satisfied in accordance with such First Day Orders. To the

extent any such liabilities have been satisfied pursuant to a First Day Order, such liabilities generally are not listed in the Schedules and Statements. Regardless of whether such claims are listed in the Schedules and Statements, to the extent such claims are paid pursuant to an order of the Bankruptcy Court (including the First Day Orders), the Debtors reserve all rights to amend or supplement their Schedules and Statements as is necessary or appropriate.

10. **Valuation.** In many instances, current market valuations are not maintained by or readily available to the Debtors. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain current market valuations of all of their assets. Accordingly, unless otherwise indicated, net book values as of the Reporting Dates are reflected on the Schedules and Statements. Exceptions to this include operating cash, cash equivalents, and certain other assets. Operating cash is presented as bank balances as of the Petition Date. Certain other assets, such as investments in subsidiaries and other intangible assets, are listed at undetermined amounts, as the net book values may vary materially from fair market values. Amounts ultimately realized may vary from net book value (or other value so ascribed) and such variance may be material. Accordingly, the Debtors reserve all rights to amend, supplement, and adjust the value of each asset set forth herein. In addition, the amounts shown for total liabilities exclude items identified as “unknown” or “undetermined,” and, thus, ultimate liabilities may differ materially from those stated in the Schedules and Statements. Furthermore, assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtors with respect to such asset.

11. **Allocation of Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors reserve the right to amend the Schedules and Statements as they deem appropriate in this regard.

12. **Excluded Assets and Liabilities.** The Debtors believe that they have identified, but did not necessarily value, all material categories of assets and liabilities in the Schedules and Statements. The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including accrued salaries, employee benefit accruals, accrued paid time off, accrued accounts payable, and deferred gains. In addition, certain rights of use listed as assets on the Debtors’ balance sheets have been excluded from Schedule A/B. The Debtors also have excluded rejection damage claims of counterparties to executory contracts and unexpired leases that have been or may be rejected (if any), to the extent such damage claims exist. In addition, certain immaterial assets and liabilities may have been excluded.

13. **Personally Identifiable Information.** There may be instances where certain information in the Schedules and Statements has been intentionally omitted, redacted, or modified

due to, among other things, concerns for the privacy of an individual.³ Any omissions or redactions in the Schedules and Statements are limited only to what the Debtors believe is necessary to protect the Debtors or the applicable third party. The Debtors have provided interested parties with sufficient information to discern the nature of the listing.

14. **Unexpired Leases.** The Debtors have not included in the Schedules and Statements the future obligations of any operating leases. Additionally, the Debtors have not included in the Schedules any right-of-use operating lease assets or liabilities related to FASB Accounting Standards Update 2016-2 because the Debtors do not possess any ownership interest in the corresponding properties and believe that the addition of these items would be cumbersome and unnecessary for understanding the value of the Debtors' estate. To the extent that there was an amount outstanding as of the Petition Date, the creditor has been included on Schedule E/F of the Schedules. For certain property leases accounted for under GAAP as finance leases, the Debtors included the related leased property values as building assets in Schedule A/B, Part 9 and the related obligations as unsecured claims in Schedule E/F, Part 2.

15. **Contingent Assets.** The Debtors believe that they may possess certain claims and causes of action against various parties. The Debtors may also possess contingent claims in the form of various avoidance actions they could commence under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws. The Debtors, despite their reasonable efforts, may not have set forth all of their causes of action against third parties or current or former affiliates as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any claims, causes of action, or avoidance actions they may have, and nothing contained in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such claims, avoidance actions, or causes of action or in any way prejudice or impair the assertion of such claims. Additionally, prior to the Petition Date, each Debtor, as plaintiff, may have commenced various lawsuits in the ordinary course of its business against third parties seeking monetary damages.

16. **Receivables.** The Debtors have included the aggregate net book value of accounts receivables and have not listed individual customer receivable balance information.

17. **Inventories.** On a periodic basis, personnel are assigned to observe inventory counts, procedures, and to spot check certain counts. All inventories are presented without consideration of any mechanics' liens that may exist.

18. **Intercompany Accounts.** For additional information regarding the Debtors' intercompany transactions and related cash management protocols, see *Emergency Motion of Debtors for Interim and Final Orders (I) Authorizing Debtors to (A) Continue Using Existing Cash*

³ Pursuant to the *Order (I) Authorizing Debtors to (A) File a Consolidated Creditors Matrix and a Consolidated List of 30 Largest Unsecured Creditors and (B) Redact Certain Personal Identification Information, (II) Approving Form and Manner of Notifying Creditors of Commencement of Chapter 11 Cases and Other Information, and (III) Granting Related Relief* (Docket No. 65), the Debtors received authority from the Bankruptcy Court to redact personally identifiable information of individuals, in all documents filed publicly. Additionally, pursuant to Rule 9037-1 of the Bankruptcy Local Rules for the Southern District of Texas, the Debtors are authorized to redact to remove personal identifying information or other content that is not relevant to a decision by the Bankruptcy Court.

Management System, Bank Accounts, and Business Forms, (B) Implement Ordinary Course Changes to Cash Management System, and (C) Honor Certain Related Prepetition Obligations, (II) Granting Administrative Expense Priority for Postpetition Intercompany Claims, (III) Extending Time to Comply with Requirements of 11 U.S.C. § 345(b), and (IV) Granting Related Relief (Docket No. 7) (the “Cash Management Motion”).

19. **Guarantees and Other Secondary Liability Claims.** The Debtors have exercised reasonable efforts to locate and identify guarantees and other secondary liability claims (collectively, “**Guarantees**”) in their executory contracts, unexpired leases, secured financings, debt instruments, and other agreements. Certain Guarantees embedded in the Debtors’ executory contracts, unexpired leases, secured financings, debt instruments, and other agreements may have been inadvertently omitted from Schedule H. The Debtors reserve all of their rights to amend, supplement, and otherwise modify the Schedules to the extent that additional Guarantees are identified.

20. **Intellectual Property Rights.** Exclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtors have made every effort to attribute intellectual property to the rightful Debtor owner, however, in some instances, intellectual property owned by one Debtor may, in fact, be owned by another. Accordingly, the Debtors reserve all rights with respect to the legal status of any and all intellectual property rights.

21. **Executory Contracts.** The Debtors have not set forth executory contracts as assets in the Schedules and Statements. The Debtors’ executory contracts have been set forth in Schedule G. Although the Debtors made diligent efforts to attribute an executory contract to the appropriate Debtor, in certain instances, the Debtors may have inadvertently failed to do so due to the complexity and size of the Debtors’ businesses. Accordingly, the Debtors reserve all rights with respect to the named parties of any and all executory contracts, including the right to amend, supplement, or otherwise modify Schedule G.

22. **Mechanics’ Liens.** The inventories, property, and equipment listed in the Statements and Schedules are presented without consideration of any asserted mechanics’, materialmen, shippers’, or similar liens that may attach, or have attached, to such inventories, property, and equipment.

23. **Estimates and Assumptions.** To prepare and file these Schedules and Statements, management was required to make certain estimates and assumptions that affected the reported amounts of the Debtors’ assets and liabilities. The Debtors reserve all rights to amend the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.

24. **Fiscal Year.** Each Debtor’s fiscal year ends on December 31.

25. **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

26. **Property and Equipment.** Unless otherwise indicated, owned property and equipment are stated at net book value. The Debtors may lease furniture, fixtures, and equipment from certain third-party lessors. Any such leases are set forth in the Schedules and Statements. Nothing in the Schedules and Statements is or should be construed as an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to same.

27. **Claims of Third-Party Related Entities.** While the Debtors have made every effort to properly classify each claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated, and contingent or noncontingent, the Debtors have not been able to fully reconcile all payments made to certain third parties and their related entities on account of the Debtors' obligations to such parties. Therefore, to the extent the Debtors have classified their estimate of claims of a creditor as disputed, all claims of such creditor's affiliates listed in the Schedules and Statements shall similarly be considered disputed, whether or not they are designated as such.

28. **Interest in Subsidiaries and Affiliates.** Each Debtor's Schedule A/B, Part 4, Question 15 and Statements, Part 13, Question 25 schedules its ownership interests, if any, in subsidiaries and affiliates. Assets such as investments in subsidiaries are listed as undetermined amounts as of the Petition Date because the book values may materially differ from market values.

29. **Paid Claims.** To the extent the Debtors have reached any postpetition settlement with a vendor or other creditor, the terms of such settlement will prevail, supersede amounts listed in the Schedules and Statements, and shall be enforceable by all parties, subject to Bankruptcy Court approval. To the extent the Debtors pay any of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all rights to amend and supplement the Schedules and Statements and take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payment for such liabilities.

30. **Master Agreements.** Contracts listed in the Schedules and Statements may be master agreements that cover relationships with certain of the Debtors. Where relevant, such agreements may have been listed in the Schedules and Statements of only the Debtor(s) where the applicable liabilities are booked. The Debtors reserve all rights to amend the Schedules and Statements to reflect changes regarding the liability of the Debtors with respect to such agreements, if appropriate. Additionally, by listing a master agreement in these Schedules and Statements, the Debtors make no representation as to the severability of such agreement and its related contracts and leases, and the Debtors reserve any and all rights with respect to any arguments or claims it may have in regard to the severability of such agreements.

31. **Setoffs and Recoupment.** The Debtors may take and be subject to setoffs with customers and vendors in the ordinary course of business. Setoffs in the ordinary course can result from various items, including intercompany transactions, counterparty settlements, pricing discrepancies, returns, refunds, chargebacks, discounts, and negotiations or other disputes between the Debtors and their customers or vendors. These setoffs are consistent with the ordinary course

of business in the Debtors' industry and can be particularly voluminous, unduly burdensome, and costly for the Debtors to regularly document. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, the Debtors did not independently verify these ordinary course setoffs and, therefore, certain ordinary course setoffs may not be included separately in the Schedules and Statements. In addition, some amounts listed in the Schedules and Statements may have been affected by setoffs or nettings by third parties of which the Debtors are not aware. The Debtors reserve all rights to challenge any setoff or recoupment rights that may be asserted.

32. **Insiders.** In the circumstances where the Schedules and Statements require information regarding "insiders," the Debtors define "insiders" as (a) officers, managers, directors, and any other individuals in control of a corporate debtor and their relatives and (b) certain non-debtor affiliates of the Debtors and insiders of such non-debtor affiliates. The Debtors have not disclosed intercompany transfers between Debtors as transactions with insiders under the Schedules and Statements. The listing of a party as an insider for purposes of the Schedules and Statements is not intended to be, nor should it be, construed as an admission of any fact, right, claim, or defense and all such rights, claims, and defenses are hereby expressly reserved. Information regarding the individuals listed as insiders in the Schedules and Statements has been included for informational purposes only and such information may not be used for (1) the purposes of determining (a) control of the Debtors, (b) the extent to which any individual exercised management responsibilities or functions, (c) corporate decision-making authority over the Debtors, or (d) whether such individual could successfully argue that he or she is not an insider under applicable law, including the Bankruptcy Code and federal securities laws, or with respect to any theories of liability, or (2) any other purpose.

33. **Indemnification.** Certain of the Debtors' governing documents may provide for indemnification of its members, current and former officers, and any current or former affiliates, officers, directors, stockholders, partners, employees, representatives, or agents of its members. Further, the Debtors may have entered into separate agreements with certain directors and officers whereby the Debtors agreed to indemnify such parties in certain circumstances according to the particular terms or conditions set forth in those agreements. The Debtors have not reached a determination as to whether certain potentially indemnified persons are eligible for indemnification under the terms of any applicable agreement. The Debtors have separately listed on Schedule G certain contracts with such covered persons, but the Debtors reserve all rights with respect thereto, including the right to assert that the individual is not entitled to indemnification and that the agreements do not constitute executory contracts.

34. **Payments.** The financial affairs and businesses of the Debtors are complex. Prior to the Petition Date, the Debtors maintained a cash management and disbursement system in the ordinary course of their business (the "**Cash Management System**") (as described in the Cash Management Motion). Although efforts have been made to attribute open payable amounts to the correct legal entity, the Debtors reserve the right to modify or amend their Schedules and Statements to attribute such payment to a different legal entity, as is necessary or appropriate. Payments made are listed by the legal entity making such payment notwithstanding that many such payments may have been made on behalf of another legal entity.

35. **Totals.** All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total. The description of an amount as “unknown” or “undetermined” is not intended to reflect upon the materiality of such amount. To the extent a Debtor is a guarantor of debt held by another Debtor, the amounts reflected in these Schedules are inclusive of each Debtor’s guarantor obligations.

36. **Global Notes Control.** These Global Notes pertain to and comprise an integral part of each of the Debtors’ Schedules and Statements and should be referenced in connection with any review thereof. In the event that the Schedules or Statements differ from any of the foregoing Global Notes, the Global Notes shall control.

37. **“As Of” Information Date.** To the best of the Debtors’ knowledge and except as otherwise noted herein, the asset information provided herein represents the asset data of the Debtors as of the Reporting Dates. Amounts ultimately realized may vary from net book value (or the applicable value ascribed herein) and such variance may be material. Accordingly, the Debtors reserve all rights to amend or adjust the value of each asset set forth herein. In addition, the amounts showing for total liabilities exclude items identified as “unknown,” “disputed,” “contingent,” or “undetermined,” and, thus, ultimate liabilities may differ materially from those stated in the Schedules and Statements.

38. **Duplication.** Certain of the Debtors’ assets, liabilities, and prepetition payments may properly be disclosed in multiple parts of the Statements and Schedules. To the extent these disclosure would be duplicative, the Debtors have determined to only list such assets, liabilities, and prepetition payments once.

Specific Notes Regarding Schedule A/B

1. **Schedule A/B, Part 1, Question 3 – Checking, Savings, or Other Financial Accounts, CDs, etc.** As of the Petition Date, the Debtors’ Cash Management System was composed of 32 bank accounts. Further details with respect to the Cash Management System are provided in the Cash Management Motion.

2. **Schedule A/B, Part 2, Questions 5–8 – Deposits and Prepayments.** The Debtors maintain certain deposits in the ordinary course of their business operations. Types of deposits include, among other things, security deposits and utility deposits. The amounts listed in Part 2 do not necessarily reflect values that the Debtors will be able to collect or realize. Prepaid expenses include cash in advance amounts paid to certain vendors in connection with the Debtors’ operations.

3. **Schedule A/B Part 3, Questions 10–12 – Accounts Receivable.** The Debtors’ accounts receivable information includes receivables from the Debtors’ customers or third parties, which may be calculated net of any amounts that, as of the Petition Date, may be owed to such parties in the form of offsets or other price adjustments pursuant to the Debtors’ customer programs and day-to-day operations or may, in the Debtors’ opinion, be difficult to collect from such parties due to the passage of time or other circumstances. The accounts receivable balances in this section exclude intercompany receivables.

4. **Schedule A/B, Part 4, Question 15 – Stock and Interests in Incorporated and Unincorporated Businesses.** Part 4 identifies only the subsidiaries owned directly by the Debtor entity. Ownership interests in subsidiaries, partnerships, and joint interests have been listed in Schedule A/B, Question 15 as undetermined amounts because the fair market value of such ownership is dependent on numerous factors and may differ significantly from net book value.

5. **Schedule A/B, Parts 7–8, Questions 39–41, 47, 50 – Automobiles, Office Furniture, Fixtures, Machinery, and Equipment.** Actual realizable values of the assets identified may vary significantly relative to net book values as of the Petition Date.

6. **Schedule A/B, Part 9, Question 55 – Real Property.** Property leased by the Debtors is not listed in Part 9 of Schedule A/B, with the exception of certain leasehold improvements and security deposits for such property, which is listed in Schedule A/B. The leases for such property are listed on Schedule G. Actual realizable values of the assets identified may vary significantly relative to net book values as of the Petition Date. Due to the volume of leasehold improvements across various locations, it is not practicable nor feasible for the Debtors to list each individually.

7. **Schedule A/B, Part 10, Question 64 – Intangibles and Intellectual Property.** Part 10 identifies the various trademarks and website domains owned and maintained by the Debtors. The Schedules may not list the value of such intangible assets as no recent appraisals have been performed. Various software licenses the Debtors use for its operations that are easily obtainable and hold minimal value are not included.

8. **Schedule A/B, Part 11, Question 73.** The Debtors maintain approximately 17 insurance policies administered by multiple third-party insurance carriers. The insurance policies provide coverage for, among other things, the Debtors' property, general liability, automobile liability, cyber liability, umbrella coverage, fiduciary liability, pollution liability, and directors' and officers' liability (including tail coverage). The Debtors more fully describe such policies in the *Emergency Motion of Debtors for Interim and Final Orders (I) Authorizing Debtors to (A) Continue Their Insurance Programs and Surety Bond Program and (B) Pay All Obligations with Respect Thereto and (II) Granting Related Relief* (Docket No. 10) (the "**Insurance Motion**"). Any policies owned by suppliers to which Debtor entities may have been added as a beneficiary are not included.

Specific Notes Regarding Schedule D

The claims listed on Schedule D, as well as the guarantees of those claims listed on Schedule H, arose and were incurred on various dates. To the best of the Debtors' knowledge, all claims listed on Schedule D arose, or were incurred, before the Petition Date.

Except as otherwise agreed or stated pursuant to a stipulation, agreed order, or general order entered by the Court that is or becomes final, the Debtors and/or their estates reserve their right to dispute and challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of any Debtor and, subject to the foregoing limitations, note as follows: (a) although the Debtors may have scheduled claims of various creditors as secured claims for informational purposes, no current

valuation of the Debtors' assets in which such creditors may have a lien has been undertaken and (b) the descriptions provided on Schedule D and herein are intended to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Detailed descriptions of the Debtors' prepetition debt structure, guarantees, and descriptions of collateral relating to each debt, if any, contained on Schedule D are contained in the *Declaration of Justin Schmaltz in Support of Debtors' Chapter 11 Petitions and First Day Relief* (Docket No. 5).

Except as specifically stated herein, real property lessors, equipment lessors, utility companies, and other parties which may hold security deposits or other security interests have not been listed on Schedule D.

The Debtors made reasonable, good faith efforts to include all liens on Schedule D, but may have inadvertently failed to include an existing lien because of, among other things, the possibility that a lien may have been imposed after the Debtors performed Uniform Commercial Code searches or that a party may not have filed the requisite perfection documentation. Moreover, the Debtors have not included on Schedule D parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights. Although there are multiple parties that may hold a portion of the Debtors' funded debt, only the administrative agents have been listed for purposes of Schedule D. The amounts reflect outstanding principal (including capitalized payment-in-kind amounts, as applicable), accrued and unpaid interest of the Debtors' prepetition loan facilities as of the Petition Date, and may include fees and other charges that have accrued under the relevant credit documents.

Therefore, the Debtors may have failed to list certain parties whose claims may be secured through rights of setoff, deposits, or advance payments posted by, or on behalf of, the Debtors, or judgment or statutory lien rights on Schedule D. Further, any changes to the status of any liens or security rights since the Petition Date may not be adequately reflected in Schedule D. The Debtors reserve all rights to dispute or challenge the secured nature of any creditor's claim or the characterization of the structure of any transaction or instrument related to a creditor's claim.

Specific Notes Regarding Schedule E/F

1. Schedule E/F, Part 1, Question 1 – Creditors Holding Priority Unsecured Claims. The Debtors have not listed any wage or wage-related obligations that the Debtors have paid pursuant to the First Day Orders on Part 1. The Debtors believe that all such claims for wages, salaries, expenses, benefits, and other compensation as described in the First Day Orders have been or will be satisfied in the ordinary course during these chapter 11 cases pursuant to the authority granted to the Debtors in the relevant First Day Orders. The Debtors reserve their right to dispute or challenge whether creditors listed on Part 1 are entitled to priority claims under the Bankruptcy Code.

The Debtors also have not listed any tax-related obligations that the Debtors have paid pursuant to the First Day Orders on Part 1. The Debtors believe that all such claims for taxes as described in the First Day Orders have been or will be satisfied in the ordinary course during these chapter 11 cases pursuant to the authority granted to the Debtors in the relevant First Day Orders.

The Debtors have not included accrued paid time off balances as of the Petition Date in the Schedules and Statements.

2. **Schedule E/F, Part 2, Question 3 – Creditors Holding Nonpriority Unsecured Claims.** The Debtors have made reasonable efforts to include all unsecured creditors on Part 2. The Debtors, however, believe the possibility exists that there are instances where creditors have yet to provide proper invoices for prepetition goods or services. While the Debtors maintain general accruals to account for these liabilities in accordance with GAAP, these amounts are estimates and have not been included on Part 2. The listed liabilities may not reflect the correct amount of any unsecured creditors' allowed claims or the correct amount of all unsecured claims, and the actual amount of claims against the Debtors may vary from those liabilities represented on Schedule E/F, Part 2.

As a result of the Debtors' consolidated operations, Part 2 for each Debtor should be reviewed in these cases for a complete understanding of the unsecured claims against the Debtors. Certain creditors listed on Part 2 may owe amounts to the Debtors, and, as such, the Debtors may have valid setoff and recoupment rights with respect to such amounts. The claims of individual creditors may not reflect credits and/or allowances due from creditors to the applicable Debtor. The amounts listed on Part 2 may not reflect any such right of setoff or recoupment, and the Debtors reserve all rights to assert the same and to dispute and challenge any setoff and/or recoupment rights that may be asserted against the Debtors by a creditor. Additionally, certain creditors may assert mechanics' or other similar liens against the Debtors for amounts listed on Part 2. The Debtors reserve their right to dispute and challenge the validity, perfection, and immunity from avoidance of any lien purported to be perfected by a creditor listed on Part 2 of any Debtor. In addition, certain claims listed on Part 2 may potentially be entitled to priority under section 503(b)(9) of the Bankruptcy Code.

To the best of the Debtors' knowledge, all claims listed on Part 2 arose or were incurred before the Petition Date.

Part 2 does not include certain balances, including deferred liabilities, accruals, or reserves. Such accruals primarily represent estimates of liabilities and do not represent specific claims as of the Petition Date.

Schedule E/F, Part 2 and Statements, Part 3, Question 7, contain information regarding potential and pending litigation involving the Debtors. In certain instances, the Debtor that is the subject of the litigation is unclear or undetermined. The amounts for these potential claims are listed as "undetermined" and are marked as contingent, unliquidated, and/or disputed in the Schedules and Statements. To the extent that litigation involving a particular Debtor has been identified, however, such information is contained in the Schedule for that Debtor (even though the litigation may actually impact another Debtor or non-Debtor current or former affiliate of the Debtors).

Schedule E/F, Part 2 reflects certain prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption, or assumption and assignment, of an executory contract or unexpired lease. In addition, Schedule E/F, Part 2 does not include rejection damage claims of the

counterparties to the executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims exist.

In many cases, the claims listed on Schedule E/F, Part 2, arose, accrued, or were incurred on a date unknown to the Debtors or subject to dispute. Where the determination of the date on which a claim arose, accrued, or was incurred would be unduly burdensome and costly to the Debtors' estates, the Debtors have not listed a specific date or dates for such claim(s).

Except in certain circumstances, the Debtors have not scheduled contingent and unliquidated liabilities related to guaranty obligations on Schedule E/F, Part 2.

The Court has authorized the Debtors to pay, in their discretion, certain non-priority unsecured claims pursuant to the First Day Orders. To the extent practicable, each Debtor's Schedule E/F is intended to reflect the balance as of the Petition Date, adjusted for postpetition payments made under some or all of the First Day Orders. Each Debtor's Schedule E/F may reflect that Debtor's payment of certain claims pursuant to the First Day Orders, and, to the extent an unsecured claim has been paid or may be paid, it is possible such claim is not included on Schedule E/F. Certain Debtors may pay additional claims listed on Schedule E/F during these chapter 11 cases pursuant to the First Day Orders and other orders of the Court, and the Debtors reserve all of their rights to update Schedule E/F to reflect such payments or to modify the claims register to account for the satisfaction of such claims.

Specific Notes Regarding Schedule G

Although reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases (collectively, the "Agreements") as of the filing of the Statements and Schedules, the Debtors' collection and review process of the Agreements is ongoing and inadvertent errors, omissions, or over or under-inclusion may have occurred. The Debtors may have entered into various other types of Agreements in the ordinary course of their businesses, such as indemnity agreements, supplemental agreements, amendments/letter agreements, master service agreements, non-disclosure agreements, and confidentiality agreements which may not be set forth in Schedule G. The Agreements listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements, which may not be listed on Schedule G, despite the Debtors' use of reasonable efforts to identify such documents.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. Likewise, the listing of an Agreement on Schedule G does not constitute an admission that such Agreement is an executory contract or unexpired lease or that such Agreement was in effect on the Petition Date or is valid or enforceable. Schedule G may be amended at any time to add any omitted Agreements.

Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or

indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon.

In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider.

In the ordinary course of business, the Debtors may have issued numerous purchase orders for supplies, product, and related items which, to the extent that such purchase orders constitute executory contracts, are not listed individually on Schedule G. To the extent that goods were delivered under purchase orders prior to the Petition Date, vendors' claims with respect to such delivered goods are included on Schedule E/F. Similarly, in the ordinary course of business, the Debtors may have issued numerous statements of work or similar documents for services which, to the extent that such statements of work or similar documents constitute executory contracts, are not listed individually on Schedule G. To the extent that services were delivered under statements of work prior to the Petition Date, vendors' claims with respect to such services are included on Schedule E/F.

As a general matter, certain of the Debtors' executory contracts and unexpired leases could be included in more than one category. In those instances, one category has been chosen to avoid duplication. Further, the designation of a category is not meant to be wholly inclusive or descriptive of the entirety of the rights or obligations represented by such contract.

Certain of the executory contracts and unexpired leases listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, right to lease additional space, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as easements, rights of way, subordination, nondisturbance, and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements, employment-related agreements, and confidentiality and non-disclosure agreements. Such documents may not be set forth in Schedule G.

In addition, certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, or any document or instrument (including any intercreditor or intercompany agreement) related to a creditor's claim. Further, the specific Debtor obligor to certain of the executory contracts or unexpired leases could not be specifically ascertained in every circumstance. In such cases, the Debtors used their best efforts to determine the correct Debtor's Schedule G on which to list such executory contract or unexpired lease.

In the ordinary course of business, the Debtors have entered into numerous contracts or agreements, both written and oral, regarding the provision of certain services on a month to month basis. To the extent such contracts or agreements constitute executory contracts, these contracts and agreements may not be listed individually on Schedule G.

Certain of the executory contracts may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature have not been included in Schedule G.

Certain of the executory contracts and unexpired leases listed in Schedule G were assigned to, assumed by, or otherwise transferred to certain of the Debtors in connection with, among other things, acquisitions by the Debtors. The Debtors used their best efforts to determine the correct Debtor's Schedule G on which to list such executory contract or unexpired lease.

The Debtors generally have not included on Schedule G any insurance policies, the premiums for which have been prepaid. The Debtors submit that prepaid insurance policies are not executory contracts pursuant to section 365 of the Bankruptcy Code because no further payment or other material performance is required by the Debtors. Nonetheless, the Debtors recognize that in order to enjoy the benefits of continued coverage for certain claims under these policies, the Debtors may have to comply with certain non-monetary obligations, such as the provision of notice of claims and cooperation with insurers. In the event that the Bankruptcy Court were to ever determine that any such prepaid insurance policies are executory contracts, the Debtors reserve all of their rights to amend Schedule G to include such policies, as necessary or appropriate. A description of the Debtors' insurance policies and insurance programs is included in the Insurance Motion and the exhibits attached thereto.

Specific Notes Regarding Schedule H

The Debtors are party to various debt agreements which were executed by multiple Debtors. The guaranty obligations under prepetition secured credit agreements are noted on Schedule H for each individual Debtor. In the ordinary course of their business, the Debtors are involved in pending or threatened litigation and claims arising out of the conduct of their business. Some of these matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. To the extent such claims are listed elsewhere in the Schedules of each applicable Debtor, they have not been set forth individually on Schedule H.

The inclusion of or failure to include any entity on Schedule H does not constitute a waiver or an admission that such entity is a co-debtor or co-liable with respect to any pending or threatened litigation. The Debtors reserve all rights with respect to any claims related to any pending or threatened litigation.

Specific Notes Regarding the Debtors' Statements of Financial Affairs

1. **Statements, Part 2, Question 3 – Certain Payments or Transfers to Creditors Within 90 Days Before Filing This Case.** The information provided in response to this Statement does not include insider payments (which transfers appear in the response to Part 2, Question 4), transfers to bankruptcy professionals (which transfers appear in response to Part 6, Question 11), or ordinary course compensation of individuals through salaries, wages, or related allowances,

which are listed, to the extent required, on Question 4. The information provided in response to this Statement represents the amounts paid to third parties recorded on the respective Debtor's books and records regardless of the entity disbursing the funds. The amounts disbursed may have exceeded the cash available at each Debtor. As described in the Cash Management Motion, the Debtors utilize their integrated, centralized cash management system in the ordinary course of business to collect, concentrate, and disburse funds generated by their operations. The payments disclosed in Question 3 are based on payments made by the Debtors within the 90 days before the Petition Date. Amounts still owed to creditors will appear on the Schedules as applicable.

2. Statements, Part 2, Question 4 – Payments or Other Transfers of Property Made Within 1 Year Before Filing This Case That Benefited Any Insider. For the avoidance of doubt, the inclusion or omission of any individual in this Statement is not an admission that such individual is or is not an insider of the Debtors. As set forth herein, in the circumstances where the Schedules and Statements require information regarding "insiders," the Debtors define "insiders" as (a) officers, managers, directors, and any other individuals in control of a corporate debtor and their relatives and (b) certain non-debtor affiliates of the Debtors and insiders of such non-debtor affiliates. The Debtors have not disclosed intercompany transfers between Debtors as transactions with insiders under the Schedules and Statements.

3. Statements, Part 3, Question 7 – Legal Actions. While the Debtors believe they were diligent in their efforts to list the legal actions, proceedings, investigations, arbitrations, mediations, and audits by federal or state agencies in which the Debtors were involved in any capacity within one year before the Petition Date, it is possible that certain suits and proceedings may have been inadvertently excluded in the Debtors' response to Question 7. The Debtors reserve the right to amend or supplement their response to Question 7.

4. Statements, Part 6, Question 11 – Payments Related to Bankruptcy. All payments for services of any entities that provided consultation concerning debt counseling or restructuring services, relief under the Bankruptcy Code, or preparation of a petition in bankruptcy within one year immediately preceding the Petition Date are listed on the applicable Debtor's response to Question 11. Due to the nature of certain of the Debtors' professionals' work, distinguishing payments related to the Debtors' bankruptcy cases from payments for services unrelated to the Debtors' bankruptcy cases can be difficult. The payments disclosed on Question 11 may, therefore, include certain amounts related to non-bankruptcy-related services performed for the Debtors prior to the Petition Date. Additional information regarding the Debtors' retention of professional service firms is more fully described in individual retention applications and related orders.

In addition, in response to Question 11, the Debtors have listed payments made to professionals retained by the Debtors but not payments made to advisors of their lenders.

5. Statements, Part 13, Question 26 – Books, Records, and Financial Statements. The Debtors provide certain parties such as banks, auditors, lenders, potential investors, vendors, and financial advisors with financial statements that may not be part of a public filing. The Debtors do not maintain detailed records tracking such disclosures.
